Questions? Contact St. Joseph Youth Alliance, rhammond@youth-alliance.org | 816-232-0050

What did the organization do to make a positive contribution for youth in Northwest Missouri?

Describe the commitment, whether it is ongoing or a one-time, the activities that engaged youth in a meaningful way, and whether the impact on youth was the result of direct or indirect activities.

What are the tools the organization used as an adult advocate for youth in Northwest Missouri? Describe how the nominee leverages education and/or experience to impact local youth, how they brought others together in the community for a bigger impact and whether or not they identified assets at their disposal that could impact local youth.

Explain the positive changes or benefits in the community due to the organization's efforts.

Describe how the organization's actions have instigated long-term change for youth in the community and how it impacted school readiness, school success, greater safety and health resource access and productive adulthood readiness for participating youth.
