**Attendance and Payment Accuracy:**

Training to help providers in the Child Care Subsidy program understand the rules and processes of the payment process including tracking and reporting attendance.

**Child Care Online Invoice System:**

Training and assistance in registering for and using the DSS Child Care Online Invoice System.

**Pre-Registration Orientation:**

An introduction to becoming a Child Care Subsidy provider including health and safety requirements and professional development requirements.

**CCDF Health and Safety:**

Provides new and renewing registered child care providers with the federally mandated trainings (EXCEPT First aid and CPR) that are required by Children's Division to maintain a child care subsidy contract. Topics include: How to find/complete First aid and CPR [\*NOTE: First aid and CPR are NOT included in this training]- Prevention of Sudden Infant Death Syndrome and Safe Sleeping- Prevention of Shaken Baby Syndrome and Abusive Head Trauma- Emergency Disaster and Response- Mandatory Child Abuse and Neglect (CA/N) Reporting- Prevention and Control of Infectious Diseases (including immunizations)- Administration of Medication, consistent with standards for parental consent- Prevention and Response to Food Allergy Emergencies- Building and Physical Premises Safety; disposal of bio-contaminants- Transportation of Children.

**Subsidy Orientation:**

On any given day, there are many families accessing child care assistance in order to better their lives and become self sufficient. In order to serve those families, we rely on you - the child care providers who partner with us, to make a difference in helping us improve the lives of those we serve. This is where you will learn about the Child Care Subsidy Program administered by the Department of Social Services (DSS). Child care providers will learn what is required to participate in the Child Care Subsidy Program. They will learn how to apply for the program and how to report child attendance.

**Child's Physical, Social & Emotional Development:**

This health and safety training topic is required for Child Care Subsidy Providers and must be completed by June 30, 2018.
